Welcome to the Elsmar Cove Free Files Directory. There are a lot of files here, but beware. Some are several years old or more. Use a file with care. Make sure it is appropriate for your use. Many of these files have been donated to the site from one person or another over the years. Some are recent, some are not. Some are related to "business", and some are simply "fun" files you might like. There are also some of my 'personal' files, such as some training files, here. Enjoy!
